**Petitioning the Court**

- ☐ To extend the term of supervision for years, for a total term of years.
- ☒ To modify the conditions of supervision as follows:

**ADD Special Condition(s):**

The defendant shall participate in a mental health program, to include a psychological evaluation and testing, under the administrative supervision of the probation officer. The defendant shall contribute to the cost of mental health treatment unless the probation officer determines that the defendant does not have the ability to do so.

**CAUSE**

Mr. Glover was previously court-ordered to undergo a Forensic Evaluation to determine his competence to stand trial in relation to his instant offense. Given Mr. Glover's prior need for a mental health evaluation, and the death of his father during his custodial sentence, it is recommended that the above special condition be added to assess and address any potential mental and emotional stressors.

Mr. Glover has consented to the above modification and executed a Waiver to this effect.
